Introducing Ourselves

We have all been a part of the McMillan teaching community for many years. We share a passion for early literacy and the importance of social emotional development. We strongly value the home/school connection and thank you for your ongoing support. We look forward to working together to make our year fun and memorable!

Intro to Daily 5

- Literacy in our classrooms is based around the Daily 5 program which focuses on: Read to Self, Read to Someone, Work on Writing, Work on Listening and Work on Words. Each child in the classroom has an individual book bin where they get to select their own books from the classroom library. Students will be joining a guided reading group soon as well for focused reading lessons at their reading level. Here are some pictures of Daily 5 components.

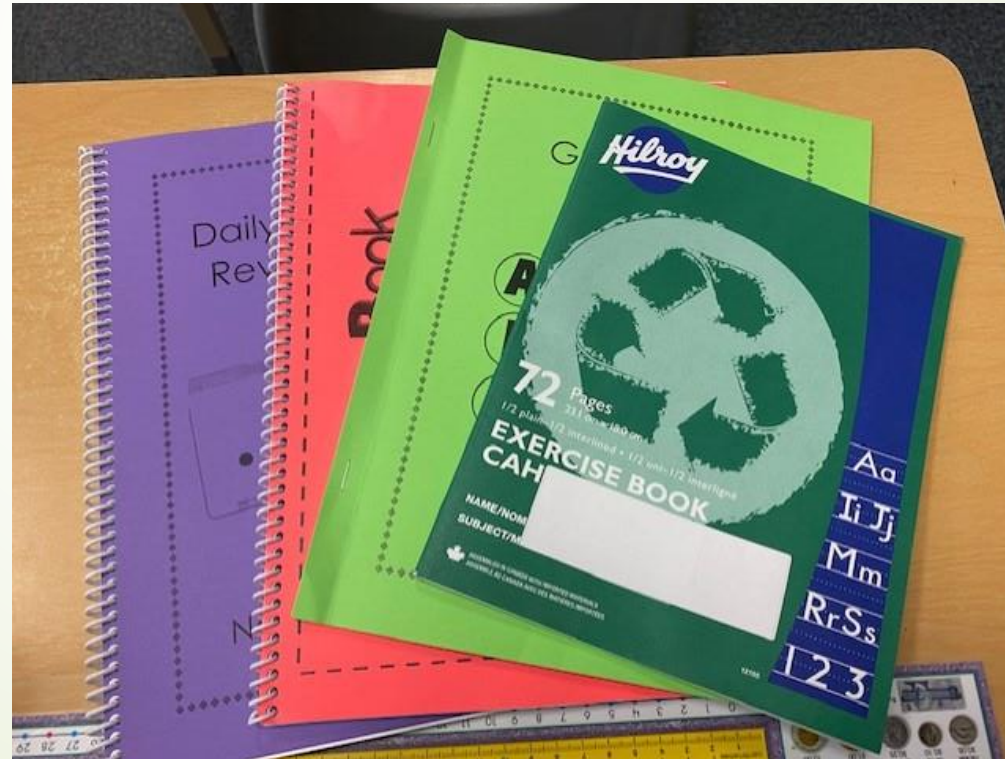

Grade Two Classroom Community

- We strongly believe in building character and classroom community, and we get together regularly for activities! Here is a sample of what we have been working on together!

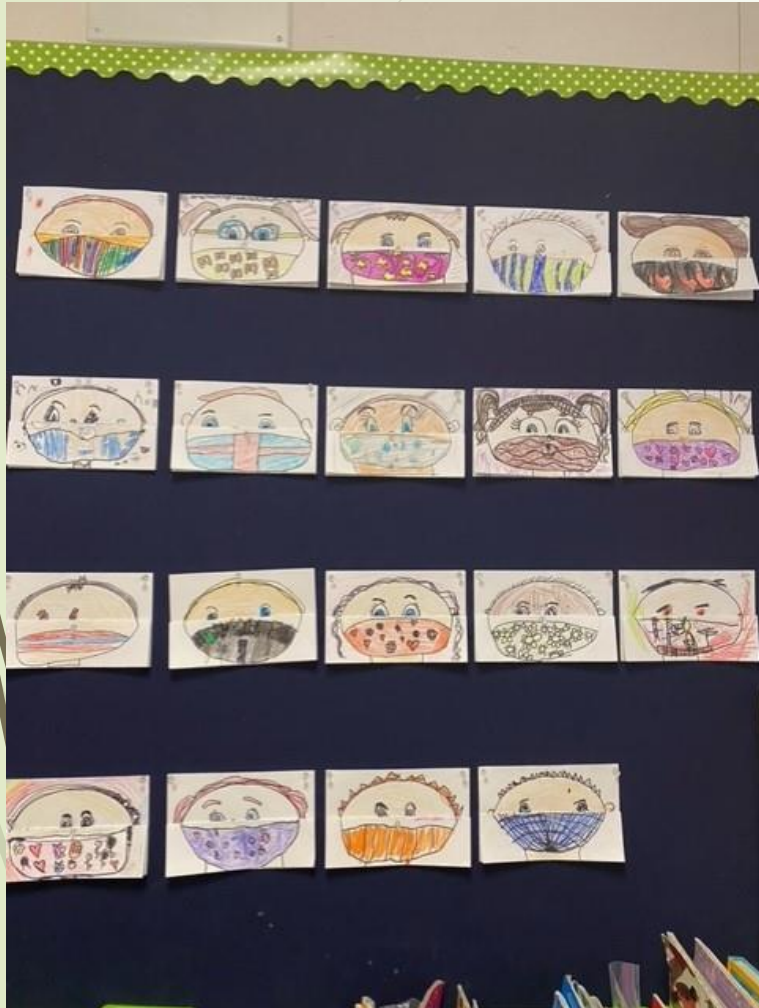

Classroom Work

- Here is some of the work we are doing in class! We have or will soon begin printing books, journal writing, D.L.R., working on numbers up to 100 and much more!

Miss Chudyk's Bulletin Boards

Check out our lego people and our selfie masks that open to reveal the amazing people we all are!

Selfies, poetry and Terry Fox Writing

Keeping Everyone Safe

- Each child has their own labeled bin of their supplies and we wash and sanitize our hands a lot!
